Failing to report accidents may void all liability cover and the renter becomes fully liable for all costs. We advise you to take as many photographs of the accident scene and also obtain the third party details when applicable. These can be recorded on the reverse side of the rental pack envelope supplied to you on collection. We also suggest you take a photograph of the driver's licenses of the persons involved and of the license disc displayed on the windscreen of the 3rd party vehicle. An accident report which is provided in the RENTAL PACK, must also be completed. These documents and records of evidence will be submitted to the supplier in order to process the incident.
